

Training Course

“Social and Economic Empowerment of Migrant Women” - **WINGS**

Erasmus+ Programme – Strategic Partnership
AGREEMENT N°: 2020-1-NL01-KA204-064669

Rationale: It goes without saying that migrant women are among the most vulnerable social groups in a society due to their double identity as both migrants and women. The aim of the WINGS project is that migrant women currently without basic skills and outside of mainstream lifelong learning provision are supported to integrate into their local community economically and socially. Through this training migrant women on the margins of education and training are encouraged to embark on an educational journey towards employment and labour market integration.

Timeframe: February to April 2022

Duration: 6 sessions of 3 hours each (once or twice a week)

Dates & Time: According to majority of the women's needs (we are flexible)

Target Group: 10 migrant women on the margins of education and training are encouraged to embark on an educational journey towards employment and labour market integration.

Price: The training is free, but the migrant women need to commit themselves to attend to the 6 sessions.
