## TRANSNATIONAL PARTNER MEETING MALTA

### Recent Developments

Welcome back! Since our last update in October 2021, the EMPOWER consortium have met up for 2 more productive meetings. The first was a Transnational Partner Meeting on March 1st, hosted by Skills Zone in Malta. The topics focused on were:

*Development of intellectual products;  
Project promotion;  
C1 Training Event - logistics.*

**EMPOWER TRAINING**

The 2nd meeting was a training event held in Berlin and hosted by Skills Elevation. The training's purpose was to up skill our trainers with the EMPOWER project course / workshop content in order to effectively deliver the same training to EMPOWER participants at risk of, or experiencing domestic violence.

During the training, project partners were:

*Presented with prepared training plans and available theoretical and practical tasks;*

*Introduced to, and learnt how to work with already developed project products (audio books, comics, digital magazines);*

*Taught how to create a map of social services for clients who suffer from domestic violence.*

## EMPOWERING PARTICIPANTS

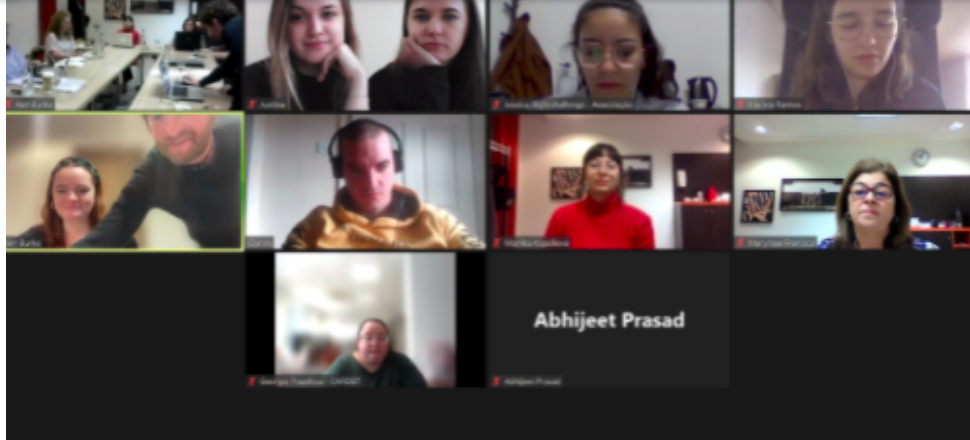

Participants who wish to take part in the EMPOWER Workshops will be trained in the following:

*Recognising domestic violence in family;*

*Communication skills development;*

*Family violence theories and practice frameworks;*

*The dimensions of family violence and how it is created within our society.*

## Know anyone who could benefit from the EMPOWER Program?

If you, or anyone you know is at risk of domestic violence, or currently experiencing these challenges within their family dynamic, please let them know we exist and here to help! The EMPOWER project is an active, supportive and educational network of skilled professionals which aim to unite families within a safe space.
