## REVITALESE MULTIPLIER EVENT JUNE 27, 2023

Pilots 1 and 2 of the <u>RevitaLese Project</u> were a great success! The engagement in all discussions and activities of all participants was marvellous, and we are sure we will see most of them in our future workshops.

During the RevitaLESE Multiplier Event, the draw took place to choose 3 (out of 19) participants who will join Maryrose and Dagmara in Ireland during the final RevitaLESE events!

The lucky "winners" are Naomi, Michela, and Johannes! Huge congrats from our SZM team!
