March 25-27, 2024

Malta

This week, Skills Zone Malta welcomed a delegation from Lithuania from **The International Business Women Network (IBWN)** for a training course in Malta as part of the project entitled **"Together we can do much more."**

The training included topics such as leadership, communication, and self-positioning. Huge thanks to Steve Farrugia for being an excellent facilitator and Maryrose Francica for being such a welcoming host to our guests.
