TPM & Train the Trainers Event

November 25 - 29, Malta

Last week, we were thrilled to host the Fem-Up Project meetings in Malta, welcoming our partners from Slovenia, Italy, Greece, Spain, and Turkey. It was a week full of teamwork, learning, and inspiration as we worked together to empower women and promote entrepreneurship.

We started the week with a Transnational Partner Meeting, where we discussed the project's progress, upcoming activities, and plans for the future. It was a great opportunity to strengthen our collaboration and share ideas to keep the Fem-Up Project on track.

One of the highlights of the week was visiting MVintage, a leading Maltese jewelry brand founded by Krystle Penza. Krystle shared her inspiring story about building her business and left us with the empowering message: **“I’m possible, you’re possible.”**

This visit was a powerful reminder of what women can achieve with passion, creativity, and determination.

We wrapped up the week with the Train the Trainers event, where we prepared trainers for the upcoming Fem-Up Academy. These trainers will play a key role in supporting women as they build their confidence, skills, and entrepreneurial dreams.
